

QUALITY POLICY STATEMENT

Mother Touch Group of Schools (MTGS) is a leading and award winning educational institution with a global influence in Zimbabwe and beyond. Through world-class facilities and highly motivated staff, MTGS endeavors to provide a conducive Christian environment for the attainment of excellent academic and non-academic results.

To this end, the MTGS business model is underpinned by:

Meeting customers' needs and surpassing their expectations through use of technology and unparalleled professionalism.

Continually providing wide, rich and relevant curriculum for each learner. This is supported by innovative and 21st century learning and teaching methods.

Continually improving all products and services in sync with the purpose and context of the institution.

Ensuring Risks and Opportunities that have a bearing on the integrity of the business processes are determined and actioned upon.

Establishing measurable Quality Objectives and Targets in pursuit of business excellence.

Consistently complying with relevant laws, regulations and other requirements applicable to our business processes.

Fostering our core values and good corporate citizenship by upholding values of Ubuntu through exemplary work ethics, effective training, development and engagement of staff.

Ensuring our facilities and practices consistently meet defined and expected learning environment standards.

The MTGS Management and staff endeavor to regularly review and improve the suitability of this Quality Policy Statement in line with the business strategic plans.
