Head's Desk

Dear parents and guardians,

I hope that I find you well and in good spirits. It is with great delight that I announce to you that we will now be sending a Weekly Newsletter to keep you in the loop with what is happening at the school and to improve our lines of communication

Last week the school was in a busy buzz with preparations for the End of Term examinations which started today. We wish the students all the best!

The athletics team went out to Marondera for the Golden League Competitions and made the school proud by coming back home with 11 Gold medals- the team and staff are commended for all of their hard work.

The ECDs also had a day out when they went to Benji's for some fun and play. They were elated to see and apply what they learnt in class through play.

The week ended off with a Grade Spelling Test and Reading Assessments to ensure that the learners are giving off their best.

I look forward to a busier week next week as the children sit for their exams and as staff begin winding down the term.
