### WHAT'S IN THIS WEEK'S ISSUE:

- Head's Desk
- Upcoming Holiday Events
- Bible verse of the Week

# Head's Desk

Dear Parents and Guardians,

The term has finally come to an end and the much awaited holiday is now here. The last week of the term has been very busy with the teachers tying up all of the loose ends and going through their End of Term proceedings and preparing holiday homework for the learners.

We also had our End of Term Assembly in which the children were encouraged to be a blessing to their siblings and peers over the holiday. We are certainly going to miss them- the school is already quieter and we can feel their absence.

During the course of the last week of the term, the teachers were also finalizing the ZIMSEC End of Term Reports and Cambridge Tests marking. The results for the Cambridge Tests will follow after the Easter Break. The ZIMSEC End of Term reports are in the process of being sent to you via emails. Please keep an eye out for these. If you do not receive your child's report, kindly call the School Office on 0773 596 161.

We wish to advise you that in an effort to improve our results, the ZIMSEC and Cambridge External Assessors were at the school last week, they were staff developing and giving the teachers pointers on how to polish up and prepare the children for their final exams.

Our Athletics season ended off on a triumphant note. The Mother Touch team came first and made the school proud in the EPSA Athletics Competition that took place at the school last Saturday. We are proud of the athletes and the coaches and commend them for all of their hard work.

We have been looking forward to seeing the Grade 6's and 7's for the Holiday School and Academy starting from today to the 16th of April. Our ECD Centre, including Marimba Infants School will also be open from today to the 16th April, providing educational daycare and babysitting as well as events bookings- the flier below has the details.

The Infants Sports Day and Easter Egg Hunt was a great success and we would like to thank you for your support and presence. It made all the difference to us and the children.

In conclusion, I would like to express my most profound gratitude to all of our parents and stakeholders for your support throughout the term. It was good to see some of you at our Stakeholders Meeting on Wednesday 27 March- thank you for making time to attend the meeting and for your valid contributions. We look forward to seeing the children in the following term after the well deserved break.
