Dear Parents and Guardians,

I hope that this Newsletter finds you well.

Academics- Examinations

The End of Term exams came to an end on the 25th of July and our teachers are now in the process of marking and compiling the results. Intensive revision has begun and normal lessons will continue as of Tuesday. The learners will continue with syllabus coverage to the last day of the term, as such it is important that learners stay at school to avoid missing out. The mantra for the remaining days of the term is 'Finishing Strong'. We look forward to giving you feedback on the term through the End of Term Reports as well as the upcoming Stakeholders Meeting.
