Head's Desk

Dear Parents and Guardians,

I hope that this edition of the Newsletter finds you well.

Academics

The Mid- Year Exams are currently underway to assess what learners have grasped so far this term. These exams will also help teachers identify areas where they can provide additional support to improve the children's grades. The exams will continue until 26 July across all schools. Please continue to encourage the children to revise at home.

Culture

The UK Tour Team returned to Zimbabwe on Thursday evening to a warm welcome from the school staff, parents, ZBC and The Herald. The trip was a great success and the team came home with a prestigious third-position certificate after competing with several countries. Preparation for the 2025 UK Tour has begun and registration will be open from the end of July. The payment plan for the 2025 UK Tour is attached to this Newsletter for planning purposes and to avoid last minute payments.
