Head's Desk

Dear Parents and Guardians,

I hope that this edition of the Newsletter finds you well.

Academics

The learners have successfully completed their Mid-Year Exams and the teachers are marking as well as compiling feedback to give you through the End of Term Reports. We will be returning to the normal school program as of Monday, including sports and clubs until the end of the term. Please note that it is important for the learners to attend school on a daily basis as syllabus coverage will be continuing.

Holiday School

The school will be offering Boarding Holiday School for the examination classes (Grade 6 and 7) from the 19th to the 31st of August. This is to polish up the learners' performance and improve on areas needing consolidation before the final examinations. All of the exam candidates are encouraged to attend. Registration may take place through the School Office. A separate letter with all of the details will be sent to the respective parents. We would like to apologize for the short notice- we had to align with the approved Ministry dates.

Culture

We are excited to announce that we will be hosting the Winter Warmers' Concert to give you a glimpse of some of our cultural performances as well as celebrate our cultural achievements. This will be on the 7th of August from 1730-2000 in the Junior School Hall.

International Tours

Please note that there are three international tours next year; The UK Tour, Europe Tour (France, Italy and Belgium) and The USA Tour. More details will be availed in the next Newsletters. However, registration for the UK Tour 2025 starts this week. Below is the payment plan:
