Weekly Newsletter Issue 16

Head's Desk

Dear Parents and Guardians,

Welcome to this week's edition of the Newsletter.

Academic Update

I am glad to announce that we hosted our June Achievers Assembly on the 5th of July. It was an auspicious event where we got to acknowledge our learners' academic achievements in various subject areas as well as urged them to keep excelling in their studies. These learners were awarded badges for the subjects they were outstanding in.

This week the learners were seating for their first set of Mid- Year exams which will carry on until the 26th of July. We continue to pray for the learners and wish them all the best as they soldier on through their last set of exams next week.

“

There are no secrets to
success. It is the result of
preparation, hard work, and
learning from failure.

COLIN POWELL

”

Kariba Trip

We are excited to notify you that we are organizing the Kariba Trip which we have moved to early next term (exact dates to be confirmed). This trip will be beneficial to our learners, as it will enhance students' knowledge and understanding of the subject matter in history, science and culture through hands-on experiences and interactive activities. It will also offer opportunities for learning outside the traditional classroom setting as well as instill a sense of adventure and excitement for learning. We will shall keep you posted on details pertaining to this trip. Your support will be greatly appreciated.

UK Tour- Update

The UK Tour Team returned to Zimbabwe on Thursday evening to a warm welcome from the school staff, parents, ZBC and The Herald. The trip was a great success and the team came home with a prestigious third-position certificate after competing with several countries. Preparation for the 2025 UK Tour has began and registration will be open from the end of July. The payment plan for the 2025 UK Tour is attached to this Newsletter for planning purposes and to avoid last minute payments.

Additionally, we are excited to announce that there are three international tours next year; The UK Tour, a Europe Tour (France, Italy and Belgium) and The USA Tour. More details will be availed in the next Newsletters.

UK Tour 2025 Payment Plan.

July (deposit)	\$100
August	\$200
September	\$300
October	\$300
November	\$300
December	\$300
January	\$300
February	\$400
March	\$400
April	\$300
May	\$300

Science Club Trip

The Science club had a fruitful visit to Scientific Industrial Research Development Centre (SIRDC) and Tynwald High Robotics club to collaborate on Science and robotics related issues. Learners learnt about Human Machine Interface, CAN-BUS system, Computer Numerical Control machines (CNCs), Hydraulics, Degrees of Freedom (DOFs), product development, patenting and Commercialization of Technology. Indeed, the tour gave our learners necessary exposure they needed for them to critically and innovatively think which is of paramount importance for an individual to be successful.

19 July

Upcoming Events
