MESSAGE FROM THE HEADMISTRESS

Dear Parents/Guardians

Three weeks have elapsed since the commencement of this term, and I am delighted to reflect upon the positive and productive start we have experienced. The palpable energy and enthusiasm exhibited by both students and staff have been most gratifying, and we anticipate a successful and fulfilling term ahead. It is truly inspiring to observe our students excelling across a range of disciplines.

A most sincere thank you to our incredible parent community. We are so grateful for your continued support, which is invaluable in enriching the learning experience for our students. Your generosity truly makes a difference.

Looking ahead, we have several exciting termly events approaching. These events rely heavily on the continued support of our parents, and any sponsorship you can offer, whether it be for prizes such as shields, trophies, and badges, or contributions towards refreshments and eats would be most gratefully received. Your contributions, whatever form they take, are essential to making these events a success.

Thank you to all parents, staff, and students for making these past few weeks so positive and productive. We value your partnership as we work together to achieve excellence.

Kind regards,

M. Muravu
Acting Headmistress
