MESSAGE FROM THE HEAD

Dear MTGS Parents/Guardians,

As we reach the midpoint of the first term, we take great pride in the progress and achievements of our students. It has been a joy to witness their enthusiasm, dedication, and growth.

I sincerely appreciate your ongoing support, particularly during events from Meet the Teacher sessions up to now. Your involvement plays a vital role in fostering a strong and supportive school community.

Each student will receive a report during the half term break highlighting their efforts and accomplishments so far this term. I am incredibly proud of their hard work and look forward to seeing them continue to thrive.

Thank you for being an essential part of this journey. Together, we celebrate success and strive for excellence.
