

MOTHER TOUCH CHRISTIAN SENIOR SCHOOL HARARE

Head's Desk

Dear Parents and Guardians,

Warm greetings! We are truly grateful to the Almighty for a successful and fruitful week. Your unwavering support has made all of this possible and for that, we sincerely thank you. The month began with abundant blessings, and this week was particularly special. Our school Chaplin, Pastor Chirikure, delivered a powerful sermon on the importance of faith, inspiring us all.

Our verse of the week, which encapsulates this theme, comes from Hebrews 11:1:

"Now faith is the substance of things hoped for, the evidence of things not seen."

We were also encouraged by the students' enthusiasm and participation in class, demonstrating their growth in knowledge and faith. We appreciate your continued support and partnership in our school community. Together, we are shaping a brighter future for our children.

STAFFING

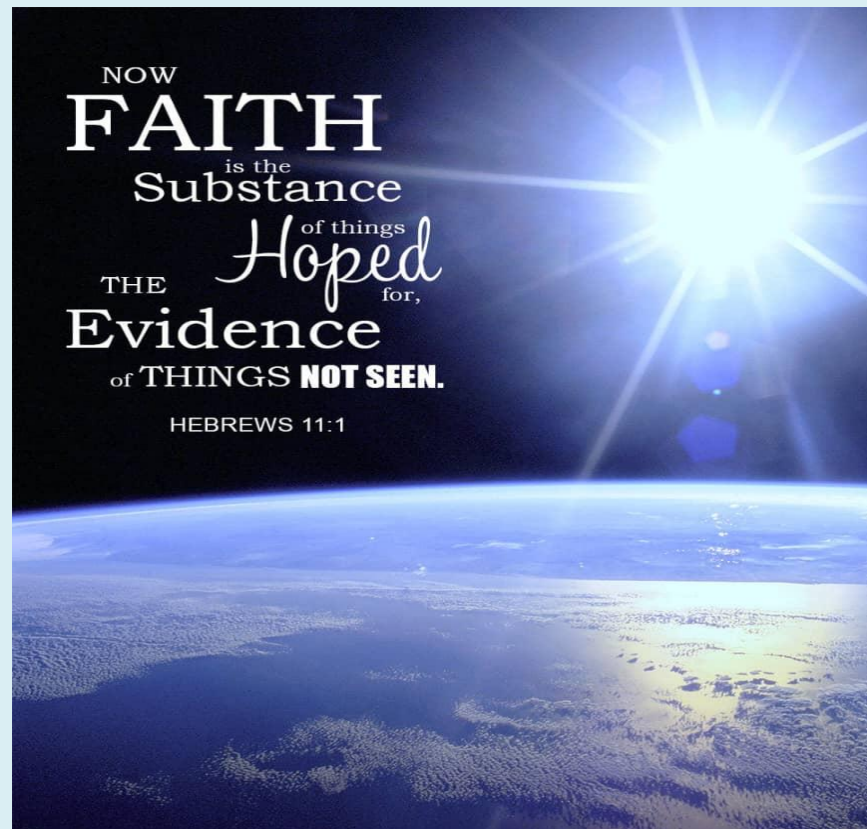

We would like to inform you that Mr Makombo is no longer with us. He has been replaced by Mr Katsanza, a renowned expert in computer science, physics and mathematics. He is bringing in valuable contributions that will greatly benefit our students. Mr Katsanza has a proven track record of inspiring students and enhancing understanding of these critical subjects.

Our Vision

"Nurturing and transforming lives to produce Christ-like, global, and innovative leaders who will positively impact the world."

Mission Statement

To provide a conducive environment with a comprehensive biblical based education that equips students with knowledge and skills for daily living and offering redemption for eternal life.

Parental involvement is key to a child's academic success.

EDUCATION

Teaching and Learning

This week has been packed with revision sessions following the recent exams, as well as continued progress through the syllabus. To maximize learning time, we have extended Monday's school day by one hour, allowing for additional contact time with our students.

Uniform policy

A gentle reminder to all students regarding our uniform policy: it is essential to wear the correct and clean uniform at all times. This not only fosters a sense of belonging but also promotes discipline within our school community. Please note that on Tuesdays and Thursdays, students are required to wear their tracksuits along with plain white sneakers. Adhering to the guidelines helps us maintain a positive and respectful learning environment
