Teaching and Learning

The extension of learning time has already shown positive effects on our students' academic performance. This initiative allows for deeper exploration of subjects and more personalized attention from our dedicated teachers. We are excited to see the continued progress and growth in our students as they take advantage of this extended opportunity.

Thank you for your ongoing support and commitment to making Mother Touch Christian Senior School a place of learning and growth. Let's continue to work diligently together.

Uniform policy

A gentle reminder to all students regarding our uniform policy: it is essential to wear the correct and clean uniform at all times. This not only fosters a sense of belonging but also promotes discipline within our school community. Please note that on Tuesdays and Thursdays, students are required to wear their tracksuits along with plain white sneakers. Adhering to the guidelines helps us maintain a positive and respectful learning environment

Achievers Assembly

A Resounding Success!

We are excited to report that our recent High Achievers Assembly was a huge success. The event was a wonderful celebration of our students' hard work and achievements, and the atmosphere was electric with motivation and encouragement.

Recognizing and rewarding our students' efforts is essential in fostering a culture of ambition and excellence. We commend all students who participated and those who were recognized for their outstanding achievements.

We would also like to extend our sincere gratitude to our parents who took time to attend and support their children. Your presence meant the world to us.

Thank you to everyone who made this event possible.

Congratulations to our Chinese students on attaining their HSK Level 1-3 certificates.

Scoring an impressive 65%-100% is a testament to their hard work and dedication to mastering Mandarin Chinese. With a passing score of just 50%, their outstanding results demonstrate exceptional language skills.

Well done, students! Your achievement is a shining example of perseverance and academic excellence."
