Head's Message

Dear Parents, Guardians, and Students,

As we move further into the term, we continue to be impressed by the dedication and enthusiasm displayed by our students. This week's newsletter highlights the academic achievements, extracurricular successes, and community events that make us such a vibrant and enriching environment. We value your ongoing partnership and encourage you to stay informed and engaged in your child's educational journey. Our newsletter is packed with updates, reminders, and exciting events to help you transition smoothly into the swing of things.

Academic Excellence

As a Group of Schools, we are committed to giving our students the best possible education and ensuring excellence in everything we do. This week, the Stage 6 learners demonstrated an exceptional grasp of electrical engineering principles with their recent circuit board project. Their work showcased not only technical proficiency in constructing functional circuits but also a remarkable level of problem-solving and creative design.

Sports

Coalfields Sprint Challenge

The Coalfields Sprint Challenge proved to be an exhilarating display of athleticism and school spirit. Our students demonstrated exceptional dedication and sportsmanship, with participants from various schools showcasing their speed and agility. The event fostered a strong sense of community as students, teachers, and parents cheered on their participants. The energy was palpable, and we are immensely proud of every student who participated, pushing their limits and representing our school with such enthusiasm.

Acacia Sprint Challenge Preparations

Preparations for the highly anticipated Acacia Sprint Challenge are in full swing, with students and coaches diligently honing their skills. The atmosphere is focused on energy as athletes engage in rigorous training sessions, practicing starts, refining techniques, and building endurance.

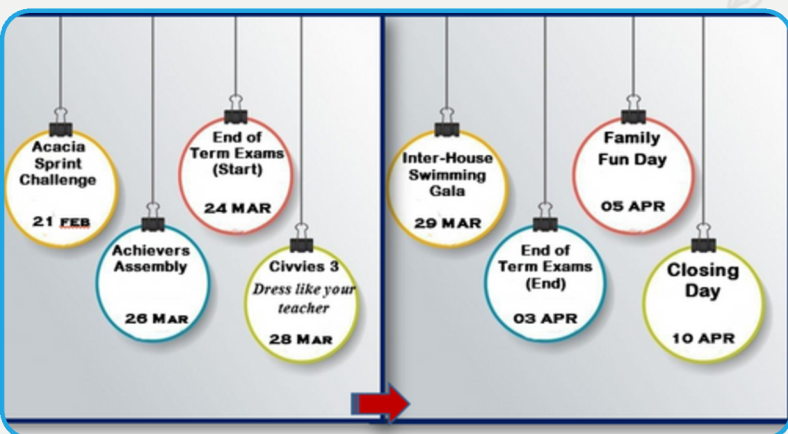

Students Spotlight

Sports Ace of the week

This week, the **Student Spotlight** shines brightly on Hannah Mushandu, a remarkable Stage 4 learner who brought immense pride to our school by securing a gold medal at the Coalfields Sprint Challenge. Her victory was not merely a fleeting moment of triumph; it was the culmination of dedicated training, unwavering focus, and a resilient spirit. From the starting line, Hannah demonstrated exceptional speed and agility, leaving spectators in awe of her athletic prowess.

Upcoming Events

Social Issues

Mrs. Mlilo, a valued member of our teaching staff taking stage 6, will take a leave of absence for approximately six weeks as she recovers from a major operation. During this time, her class will be expertly cared for by Mr. Munsaka, who is eager to ensure continuity in their learning. We extend our warmest wishes to Mrs. Mlilo for a speedy and full recovery, and we look forward to welcoming her back to the classroom soon.
