MESSAGE FROM THE HEAD

Dear MTGS Parents/Guardians,

Having concluded our 9th week, we give thanks to God for His guidance and provision. Academically, students are working hard in both classwork and homework, with a growing enthusiasm for reading, which is an essential element for their education and progress.

Our students have also made us proud with their sporting achievements this term, especially on the athletics field. Their dedication and effort continue to be a testament to the strength of our school community. Our success is dependent on your support and prayers.

Thank you for your continued involvement and assistance so far in this term.
