Teaching & Learning

We are delighted to report a significant improvement in homework completion. We acknowledge and appreciate our students' hard work and dedication. Their efforts are truly commendable, and we are proud of their commitment to academic excellence.

As we move forward, we will be focusing on the quality of homework submissions. We believe homework provides an opportunity for in-depth research and learning, and therefore, should reflect a high standard of work. Please note that failure to meet the expected standards will result in detention during lunchtime.

External Examinations

ZIMSEC has announced the examination fees for the

November session:

O Levels are \$24 per subject

A Levels are \$48 per subject.

Registration dates and deadlines will be announced in due course.

Sports & Clubs

Our toastmasters club excelled at the Secta debate competitions held at Prince Edward School. Bradley Manoah and Wisdom Muhomba formed a successful team, securing third place in the provincial finals and earning the school a spot in the national competition in April. As a reward, the team and their patron will embark on a sponsored trip to Nyanga. The school received certificates and a trophy to commemorate their achievement.

Achievers' assembly

On Monday, 3 March, we held our Achievers' Assembly, a special event dedicated to recognizing and encouraging our students' outstanding academic and extracurricular achievements. This assembly served as a motivation for our students to continue striving for excellence. The following students were outstanding achievers in their respective classes.

CLASS	ACHIEVERS
Form 1 Blue	TATENDA CHIKWAITI
Form 2 Blue	JOSEPH CHIRIMUUTA
Form 2 Gold	WISDOM MUHOMBA
Form 3 Gold	KEISHA LAMBIKA

However, underperforming students will be given more time to read.
